

2009 Eco-Products International Fair (EPIF) in Manila

If you're concerned and want to help promote sustainable development through the use of eco-products, then drop by the fifth largest international environmental fair in Asia, to be held at the SMX Convention Center from March 19 to 22. Here's your chance to join global, regional, and local experts share their experiences, views, and proposals. As Chairperson of the EPIF 2009 Advisory Committee, former First Lady Amelita Ramos (seated in the middle) stated, that "the Philippines stands eighth in the world in terms of number of greenhouse gas reduction projects, and, our waste-to-energy generation projects are attracting global attention." This event is organized by Global-Link. For inquiries: tel. +632 750 8588; website: www.epif09.org; e-mail: epif09@globallinkmp.com
